**DEEWR Question No.**            **5**

Senator Barnett asked on Monday, 30 November 2009, DEWR Hansard page 19:

**Question**

*How many projects there are and what their value is for 'rephased' projects?*

**Answer**

DEEWR asked each Education Authority (EA) to provide a high level Implementation Strategy which identifies how the rephasing will be managed.

DEEWR is currently discussing these implementation strategies with Education Authorities.

Rephased projects will be identified progressively throughout 2010. It is not possible at this stage to specify the number or value of individual projects to be rephased.
