

Answers to written questions on notice from Senator Cameron by the Australian Skills Quality Authority

1. How many course suspended by ASQA each year from commencement to present:

a. By provider

ASQA does not specifically collect information as to the number of courses suspended and as such is not able to reliably answer the question as posed. In an effort to provide relevant information, ASQA has constructed the below table which details those instances where a decision was made to wholly or partially suspend a training organisation's scope of registration. [n.b. these decisions are generally preceded by an "intention to suspend" and may have subsequently undergone review – either by ASQA through a reconsideration process and / or the Administrative Appeals Tribunal].

Regulatory Decision	11/12	12/13	13/14	14/15	15/16	16/17	17/18*
Suspend (all/part): All providers	4	31	49	54	15	56	22

* 1 July 2017 – 31 December 2017
