## MEDIA RELEASE

**House of Representatives Standing Committee on the Environment and Energy**  
Inquiry into the management and use of Commonwealth environmental water

---

Issue date: 22 May 2018

## Public hearings on environmental water

The [House Standing Committee on the Environment and Energy](#) will hold a public hearing tomorrow for its inquiry into the management and use of Commonwealth environmental water.

The Committee will hear from the National Farmers' Federation and the National Irrigators' Council.

The inquiry is focussed on the role of the Commonwealth Environmental Water Holder, including how environmental water is being used, the outcomes achieved and options for improving community engagement.

Further information about the inquiry can be found on the inquiry website at [www.aph.gov.au/environmentalwater](http://www.aph.gov.au/environmentalwater).
