**Question No:** 14  
**Topic:** Risk assessments  
**Hansard Page ECA:** 104

**Senator Fisher asked:**

**Mr Thompson**—There was a legal risk assessment completed in the early period of the program, and then there was a further risk assessment undertaken in late 2009—I think it was October 2009.

**CHAIR**—Have those been made public?

**Mr Thompson**—No.

**CHAIR**—And can the committee be provided with a copy of each?

**Mr Thompson**—I will take that on advice.

**Answer:**

Both risk assessments were internal working drafts only. In light of this, it would not be appropriate to release these documents.
