Date 17 March 2011

Dear Senators,

Commonwealth of Australia Inquiry into Former Forced Adoption Policies and Practices.

As a citizen of the Commonwealth of Australia I had and still do have an inalienable right to protection under the Australian Constitution, rule of law and the Common Law of this nation.

As an Australian citizen, the Commonwealth should have afforded us all protection from the unlawful and harmful actions that threatened our right to life, liberty and justice from those who denied us all these rights, within and without, the borders of Australia.

We must live by the Australian Constitution, Rule of Law, and the Common Law of this country and Commonwealth politicians are elected to uphold Commonwealth Law meaning they will prevail over federal legislation, and by operation of section 109 of the Constitution, will override inconsistent state laws (whether past or future.)

I am an adoptee who would like to register my interest in this Committee's inquiry and acknowledge that it is an important step in addressing the issues of forced adoptions in the 1940's to the 1990's.

As a direct consequence of the inhumane treatment of the separating of mother and baby, I have suffered a lifetime of loss, grief and pain and as a result I am unable to prepare/write my personal story for presentation to the Inquiry.

I believe the evidence into the Commonwealth Government's involvement in forced adoptions will change not only your understanding of this dark period of this countries history but will increase your determination for the truth to be recorded so that the past is never repeated.

Please accept my letter and signature as a submission by registering my name as a participant in this Inquiry.

I thank you for this opportunity and join with the mothers and other adoptees in standing as one, as we eagerly await our great Nation to hear and see the truth unfold. I would appreciate you adding my name and address to your mailing list that I can receive future correspondence and documents on the progress of this Inquiry.

Yours faithfully,

Marlene Colant
