Hello All

Thank you for your patience and assistance while Sport Australia has worked through the eligibility and detailed internal assessment process for all applications to the Community Sport Infrastructure grant program.

The next important phase of assessment is undertaken by an Industry Panel consisting of Sport Australia staff and external experts.

The Industry Panel assessment will take place on Friday 9<sup>th</sup> November from 9am – 5pm.

If you are available to attend, please set aside this time as a placeholder in your diaries and I will be in contact with further details as soon as possible.

If you have any queries, please don't hesitate to contact me.

Thanks

**Importance:** High

Hi [REDACTED]

My name is [REDACTED] and I am the [REDACTED], Community Sport and Infrastructure at Sport Australia, working closely with Robin O'Neill.

I understand that Robin has recently been in contact with you regarding involvement in our Community Sport Infrastructure grant program in your capacity as a Sport Australia board member.

Further to the voice mail message I left on your mobile today, I was hoping to get a sense of your availability to spend some time in the Sport Australia offices in Melbourne on Friday 9<sup>th</sup> November. As previously discussed with Robin, this would include provision of your endorsement of the recommendations put forward for funding by the Infrastructure Grants Industry Panel.

Are you available on Friday 9<sup>th</sup> November?

Please feel free to give me a call on my mobile number below or reply via this email. If you could let me know your availability as soon as is convenient for you, I would appreciate it.

It will be great to have your involvement and I look forward to hearing from you soon.

Thanks

shared the folder "CSI Assessment & Documents" with you.

Hello All,

Thank you for agreeing to be a member of Sport Australia's Community Sport Infrastructure grant Industry Panel.

Attached is a link to a OneDrive file containing background documents for our meeting.

This includes an agenda, original application form, original assessment form, selected applications from Streams 1, 2 and 3 and a link to a spreadsheet with all assessed applications.

Please contact me if you have any queries.

This link only works for the direct recipients of this message.

**Subject:** Community Sport Infrastructure Grants - Industry Panel documents overview  
**Importance:** High

Hello Everyone

I hope you all successfully received the link that provided access to the Community Sport Infrastructure Grants Industry Panel documents and have been able to access the contents without a problem.

I wanted to provide a brief overview of the documents housed in OneDrive as well as providing you with two additional resources to assist deliberations on Friday. Hopefully the outline below guides you through the documents available and please give me a call or email if you need any further information.

OneDrive Documents

- Agenda
- Blank template forms
  - **Application form preview** to give you an insight into the information applicants were required to provide. This document is balanced by the attached '**CSI Grant Program Guidelines**' document which provides insight into the program overview and objectives that guided applications;
  - A **Conflict of Interest form** for you to complete and sign. Please bring this with you on Friday;
  - **Assessment form preview** to give you an insight into how applications were assessed. This document is balanced by the attached '**CSI Assessment Scoring Matrix**' which provides you with necessary insight into scoring.
- Recommended funding spreadsheet
  - This **spreadsheet** provides an overview of every application received and assessed across each of the 3 funding streams, including project title, details, funding requested. This document includes a range of highlighted areas which denote applications that have been put forward for funding and not highlighted areas that denote project not put forward for funding. This document will provide the basis for most of the discussion at the Industry Panel meeting.
- Stream 1 CSI

### Assessor Declaration

\* indicates a required field

#### Conflict of Interest

All ASC staff and grant assessors must declare if they have a conflict of interest.

A conflict of interest means an actual or perceived conflict of personal interest or a conflict of roles.

- **A conflict of personal interest** is a situation in which the impartiality of an employee in discharging their ASC duties could be called into question because of the actual, perceived or potential influence of personal considerations, financial or otherwise.
- **A conflict of roles** is a situation in which an employee fulfils another role in addition to their role as an employee of the ASC, where the two roles may be in actual, perceived or potential conflict with each other.

These types of conflicts of interest are not mutually exclusive, and some conflicts may constitute both a conflict of personal interest and a conflict of roles. Note that a conflict of interest may arise due to perceived or potential conflict.

Examples of potential conflicts of interest includes:

- holding a position of authority within a sporting club, organisation or NSO or SSO
- being a member of a sporting team or club, organisation or NSO or SSO
- having an interest in a business dealing with the ASC, including being a board member or holding investments in a company that has a business relationship with the ASC
- holding outside employment
- having personal relationships or family members that are employed by the ASC or a business that the ASC has business dealings with.

See ASC intranet [ASC intranet conflict of interest page](#) for more info

**Conflict of Interest \***       I DO NOT have a conflict of interest     I DO have a conflict of interest     I MIGHT have a conflict of interest

#### Can I really assess this?

You have selected that you might have a conflict of interest.

Either

- a) Allocate this application to someone else
- b) (With the program manger's permission), note your **potential** conflict of interest below and continue

## **Conflict of Interest information and Disclosure form** **Community Sport Infrastructure – Assessor Panel Member**

Thank you for being a part of the Sport Australia assessment panel for the Community Sport Infrastructure (CSI) program.

Assessment panel members must ensure that any personal interests or roles you undertake do not influence or interfere with any outcomes and financial decisions and are in the best interests of Sport Australia.

Conflict of interests may arise with panel members that could be of personal interest or role related that maybe seen as an actual, perceived or potential conflict with each other when assessing a CSI application, these could include being:

- A member of any organisation that is a supporting organisation for an application for a CSI grant.
- A member of any organisation that an individual applicant for a CSI grant is also a member of.
- A relative of any applicant.

### **All assessors must:**

- identify any actual, perceived or potential conflicts of interest in respect of Sport Australia Grant Programs and applicants;
- disclose any such conflicts of interest immediately to the relevant Sport Australia program Director.

### **Examples of conflicts of interest**

The situations listed below are some *illustrative* examples of conflict of interest scenarios. The list of examples is *not intended to be exhaustive* - other situations may also create a conflict of interest for an assessor when assessing CSI applications.

Examples of Conflict of Interest:

- **Being a board member or office holder in a sporting organisation**

The assessor is a board member or other office holder in a national sporting organisation (NSO), or other sporting organisation which is directly or indirectly funded by the ASC or materially impacted by the policies or activities of the ASC, this would be at least a perceived conflict of roles, regardless of whether the assessors position relates to funding or involves other dealings with that sport.

- **Personal relationships**

If an assessor is required to make or influence a decision and that decision would directly affect a person who has a close personal relationship with the assessor (such as decisions concerning funding of a family member), this would be at least a perceived conflict of personal interest, regardless of whether the assessor intends to make a decision favourable to the person with whom they have a close personal relationship.

## **Disclosing conflicts of interest**

Any conflict of interest identified must be disclosed by the employee by completing the COI Disclosure form immediately. The employee must direct the matter to the Director of CSI or Deputy General Manager of Sport Partnerships.

If an assessor is unsure as to whether a conflict exists, they must raise the issue immediately and seek advice from the Director of CSI.

If the Sports Program Adviser or manager is in doubt as to whether a conflict exists they should seek advice from the Director of CSI or Deputy General Manager of Sport Partnerships to determine the most appropriate action to be taken in relation to the conflict. The most appropriate action will depend on the particular degree and nature of the conflict.

## **Confidentiality and Privacy**

As an assessor you are reminded of the importance of confidentiality and privacy regarding all aspects of the assessment process. Anyone directly engaged with the assessment of a CSI application must not contact applicants about their application or discuss applications under their review with any individual or organisation external to the CSI assessment process.

Sport Australia assessors are bound to act in accordance with the provisions of the Privacy Act 1988 and the Sport Australia Privacy Policy.

Hi [REDACTED],

Please find attached brief signed by the Minister, and Minister's approved list of projects for Round 3 of CSIG.

The Minister is still planning to do announcements for these projects, and as such we are requesting that Sport Australia make contact with the successful applicants, but that subject to guidelines they do not make their projects public without permission.

Thanks,

## Issues:

1. Following release of the 2018-19 Federal Budget, a package of sport and physical activity participation initiatives was announced to encourage more Australians to be more active.
2. This announcement included a total of \$29.7 million for a Community Sport Infrastructure (CSI) program, incorporating \$28.3 towards a grant program.
3. On 11 December 2018 you approved Round 1 of the CSI grants (MS18-002517).
4. Through the 2018-19 Mid-year Economic and Fiscal Outlook (MYEFO) process, a further \$32.3 million was announced to support Round 2 of the CSI grant program.
5. On 4 February 2019 you approved Round 2 of the CSI grants (MS19-000194).
6. To date, 456 individual grants have been approved with a total investment value of \$60,577,617.
7. On 30 March 2019 a further \$40 million was announced to support Round 3 of the CSI grant program.
8. Given the significant number of high quality applications to the first round of the CSI grant program, new applications for Round 2 of the program were not sought. Applications were sourced from the original pool of 2053 applications.
9. Attachment A lists **Sport Australia's recommendations of 245 projects for funding in Round 3 of the CSI grant program for your approval.**
10. Under Section 6.1.1. of Sport Australia's Grant Management Framework: *reasons for rejecting or changing the funding amount from what is being recommend should be recorded.* As such Sport Australia requires reasons in writing for rejecting or changing any of the projects to be approved.
11. Your office has provided details to Sport Australia of nine additional projects received outside of the program closing date. The Minister can consider these projects if she chooses under Clause 8.1 of the CSI program guidelines that states '...if, after completing the assessment process, emerging issues have been identified and/or there are priorities that have not been met, other projects may be considered to address these emerging issues...' subject to providing reasons under Section 6.1.1. of the Grant Management Framework.
12. In order to facilitate the execution of agreements in accordance with the Grant Guidelines following a lengthy period of time since the original application and possible changes to the status of projects, it is necessary for delegation to be provided to Sport Australia to make minor changes, as necessary, to the scope / amount of individual grants approved by you.

## Risks:

13. Approving projects for a third round of the CSI program in the 2018-2019 financial year carries significant risks.
14. There are currently 456 projects being delivered across Australia. With your approval of the attached 245 recommended projects, a total of 701 projects will be live across Australia. This number of projects places existing resources under pressure to effectively track, manage and administer risks and outcomes.
15. The CSI grant program is required to be fully expended by 30 June 2019. With the additional allocation of \$40 million to the program, \$100 million will have been invested in the 2018-19 financial year, across in excess of 650 individual projects.
16. Due to the short timeframes to work with successful applicants to update information to finalise projects and grant agreements, and to meet milestones for payments, there will be a significant underspend for Round 3 of the CSI Grants Program. This underspend will not be able to be carried over into FY2019-20 unless an operating loss is approved for FY2019-20. An operating loss will be required to fulfil grants that cannot be executed in the current financial year.
17. Any operating loss resulting from a Round 3 underspend for FY2019-20 will need to be approved by the Health and Finance Ministers.

**Round 3 Community Sport Infrastructure grants budget breakdown:**

1. Attachment A provides a breakdown of the 245 grants recommended for funding valued at \$39,628,999.

<b>Stream</b>	<b>Number of grants</b>	<b>Value</b>
1	145	\$4,600,696
2	32	\$4,511,315
3	68	\$30,516,988
<b>TOTAL</b>	<b>245</b>	<b>\$39,628,999</b>

2. A breakdown of recommended applicants by organisation type is as follows:
  - Applications from local government organisations - 63 projects requesting \$21,748,162
  - Applications from sporting organisations - 154 projects requesting \$13,916,899
  - Applications from not for profit organisations - 28 projects requesting \$3,963,938
3. Attachment B includes information on all remaining applicants for the CSI grant program.

**Background:**

- The CSI grant program was open to local, state and national sporting organisations, local government and not for profit sport and physical activity providers.
- The program was designed to support small to medium infrastructure upgrades and support the two key themes of inclusion and community sporting hubs.
- Funding was available in three streams: up to \$50,000 (stream 1), between \$50,001 and \$200,000 (stream 2) and between \$201,000 and \$500,000 (stream 3).

**Attachments:**

- Attachment A provides a breakdown of the 245 grants recommended for funding by Sport Australia valued at \$39,628,999.
- Attachment B includes information on all remaining applicants for the CSI grant program.

[SEC=UNOFFICIAL]

Hi Robin [REDACTED],

Please find attached brief signed by the Minister, and Minister's approved list of projects for Round 3 of CSIG.

The Minister is still planning to do announcements for these projects, and as such we are requesting that Sport Australia make contact with the successful applicants, but that subject to guidelines they do not make their projects public without permission.

Thanks,

## Issues:

1. Following release of the 2018-19 Federal Budget, a package of sport and physical activity participation initiatives was announced to encourage more Australians to be more active.
2. This announcement included a total of \$29.7 million for a Community Sport Infrastructure (CSI) program, incorporating \$28.3 towards a grant program.
3. On 11 December 2018 you approved Round 1 of the CSI grants (MS18-002517).
4. Through the 2018-19 Mid-year Economic and Fiscal Outlook (MYEFO) process, a further \$32.3 million was announced to support Round 2 of the CSI grant program.
5. On 4 February 2019 you approved Round 2 of the CSI grants (MS19-000194).
6. To date, 456 individual grants have been approved with a total investment value of \$60,577,617.
7. On 30 March 2019 a further \$40 million was announced to support Round 3 of the CSI grant program.
8. Given the significant number of high quality applications to the first round of the CSI grant program, new applications for Round 2 of the program were not sought. Applications were sourced from the original pool of 2053 applications.
9. Attachment A lists **Sport Australia's recommendations of 245 projects for funding in Round 3 of the CSI grant program for your approval.**
10. Under Section 6.1.1. of Sport Australia's Grant Management Framework: *reasons for rejecting or changing the funding amount from what is being recommend should be recorded.* As such Sport Australia requires reasons in writing for rejecting or changing any of the projects to be approved.
11. Your office has provided details to Sport Australia of nine additional projects received outside of the program closing date. The Minister can consider these projects if she chooses under Clause 8.1 of the CSI program guidelines that states '...if, after completing the assessment process, emerging issues have been identified and/or there are priorities that have not been met, other projects may be considered to address these emerging issues...' subject to providing reasons under Section 6.1.1. of the Grant Management Framework.
12. In order to facilitate the execution of agreements in accordance with the Grant Guidelines following a lengthy period of time since the original application and possible changes to the status of projects, it is necessary for delegation to be provided to Sport Australia to make minor changes, as necessary, to the scope / amount of individual grants approved by you.

## Risks:

13. Approving projects for a third round of the CSI program in the 2018-2019 financial year carries significant risks.
14. There are currently 456 projects being delivered across Australia. With your approval of the attached 245 recommended projects, a total of 701 projects will be live across Australia. This number of projects places existing resources under pressure to effectively track, manage and administer risks and outcomes.
15. The CSI grant program is required to be fully expended by 30 June 2019. With the additional allocation of \$40 million to the program, \$100 million will have been invested in the 2018-19 financial year, across in excess of 650 individual projects.
16. Due to the short timeframes to work with successful applicants to update information to finalise projects and grant agreements, and to meet milestones for payments, there will be a significant underspend for Round 3 of the CSI Grants Program. This underspend will not be able to be carried over into FY2019-20 unless an operating loss is approved for FY2019-20. An operating loss will be required to fulfil grants that cannot be executed in the current financial year.
17. Any operating loss resulting from a Round 3 underspend for FY2019-20 will need to be approved by the Health and Finance Ministers.

**Round 3 Community Sport Infrastructure grants budget breakdown:**

1. Attachment A provides a breakdown of the 245 grants recommended for funding valued at \$39,628,999.

<b>Stream</b>	<b>Number of grants</b>	<b>Value</b>
1	145	\$4,600,696
2	32	\$4,511,315
3	68	\$30,516,988
<b>TOTAL</b>	<b>245</b>	<b>\$39,628,999</b>

2. A breakdown of recommended applicants by organisation type is as follows:
  - Applications from local government organisations - 63 projects requesting \$21,748,162
  - Applications from sporting organisations - 154 projects requesting \$13,916,899
  - Applications from not for profit organisations - 28 projects requesting \$3,963,938
3. Attachment B includes information on all remaining applicants for the CSI grant program.

**Background:**

- The CSI grant program was open to local, state and national sporting organisations, local government and not for profit sport and physical activity providers.
- The program was designed to support small to medium infrastructure upgrades and support the two key themes of inclusion and community sporting hubs.
- Funding was available in three streams: up to \$50,000 (stream 1), between \$50,001 and \$200,000 (stream 2) and between \$201,000 and \$500,000 (stream 3).

**Question 30:** Provide the communication, emails, and/or messages, as referred to in the ANAO evidence, forming both direct and indirect representations from the Prime Minister's Office to the former Minister for Sport and Sport Australia.

**Type of Questions:** Hansard Page 35, 27 February 2020

**Questioner:** Senator Chisholm

**Question:**

**CHAIR:** The communication, emails, and/or messages, as referred to in the ANAO evidence, forming both direct and indirect representations from the Prime Minister's Office to the former Minister for Sport and Sport Australia.

**Answer:**

Sport Australia has conducted a search for records of emails forming representations from the Prime Minister's Office to Sport Australia and did not find any records.

Sport Australia has also conducted a search for records of emails forming direct or indirect representations from the Prime Minister's Office to the former Minister's Office regarding the program and found one email.

Refer to attachment.

Hi Robin,

We have just been advised by the PM's office that there have been some projects on the list funded under another grants program.

So we have been asked to make a slight adjustment to the list.

The electorates effected are:

Denison  
Hinkler  
Gippsland

My sincere apologies for the last minute change.

Also just wondering if you have a rough idea of when the brief might be up to our office for the Minister to sign?

thanks

Office of Senator the Hon. Bridget McKenzie  
Deputy Leader of the Nationals  
Minister for Regional Services, Sport, Local Government and Decentralisation
