Dear Committee Secretary,

I write to correct evidence given by me at the 19 September Committee Hearing in Sydney.

As reflected on page 40 of the transcript, I incorrectly stated that 'there are upwards of 30 slots that sit in the 6:00 AM to 7:00 AM hour that aren't being used.' This was in relation to unused regional ring fence slots. I ask that the Committee consider amending the transcript to replace '30' with the accurate figure of '13' slots.

Yours sincerely,

 **Geoff Culbert**
