
Dear Sir, I am totally against the practice of abortion of unborn babies and consider it to be murder but I think perhaps in extreme medical emergencies where the life of the mother is threatened, it maybe necessary.

What I am concerned about today is that I have just learned that Medicare is funding the abortion of unborn babies, just on the strength of their gender. We wanted a boy and we don't want a girl or we have already four boys and we don't want another one.

All this foolishness, is us as humans, trying to be God. We may have been created in his image but we are certainly not God, particularly when we are allowing something to occur, that is directly against his WORD. Though Heaven and Earth shall pass away, MY WORD SHALL NOT. Not one jot or tittle shall pass from MY LAW until, all be fulfilled

Thou shalt not murder

Sure our laws were at first established upon GOD LAW as in the Holy Bible.

THE TEN COMMANDMENTS

But they are slowly and surely trying to be changed. Put it this way , there are unseen forces moving in the unseen realm, bringing pressures to bare, individual groups calling for change.

Eg. 1. Same Sex Marriage. DEATH both on a natural and spiritual level. Eg If everybody was Gay the whole human race would cease to exist . Also God has already condemned homosexuality .

Eg.2. Abortion. DEATH both on a natural level and a spiritual. If every baby was aborted on Earth that would be the Death knell to the human Race and on a spiritual level it would be death also as God has said , Thou shalt not Murder.

Example 3.Euthanasia (Suicide) Both on a natural level and a spiritual level. If everybody committed suicide that would be the end of the human race, and on a spiritual level God has said , Thou shalt not murder.

Why do you think that these three examples are centered around Death ?

Well it is because that the Forces that are responsible for the Pressure in the unseen world, are coming from the Devil or Satan. He is known by various names. He is the enemy of all mankind. He is a real person and can appear as an angel of light. Not only does he truly exist but he has many followers. Could be hundreds of thousands , I don't know the exact number, except that he used to reside in heaven with God until he rebelled against God, because he wanted to be god. This may account for all the many different false Gods that people worship today. Have you ever wondered as I did . Which God is the TRUE GOD.

Well I found out , it is the God of the Bible, on Who's Word our constitution was written.

Satan is known as the God of this world , The Prince of the power of the air, the spiritual being, that rules in the kingdom of children of disobedience. All of his followers are also spiritual beings. They don't have physical bodies as we do but they desire to have one(yours and mine) People with mental problems 'should really be termed, people with spiritual problems, which means that they have demonic problems. As evil spirits and demons are the same.

I am giving you a history lesson because not every body knows where we originally came from .

Not everybody knows where this Planet' that we all live on, came from, nor the starry heavens surrounding it. Or where it is going as everything in the heavens including our planet is traveling through space at a terrific pace. Everything is moving somewhere else and nothing is stationary.

Not everybody knows why, righteousness and evil exist and where it came from.

Not everybody knows why, what has been termed Global Warming is happening.

I want to commence with Good and Evil .

God is a SPIRIT and there are 3 Persons in the one Godhead ie 1. GOD the Father of all creation.

2. God the Son (Jesus Christ) who also died on the Cross at Calvary, that paid the ultimate price for all mankind to be saved, from their many sins and sicknesses and rose again, from the dead and now sits on the Father's right hand in Heaven and is there at this very moment.

3. God the Holy Spirit whom Jesus the Son , gives to all his brothers and sisters (all those who have repented of their past sins and have received the born again experience, are also then given the Gift of the Holy Spirit at their request.)

There are 2 Spiritual experiences both of which come with various built in gifts, so that you know without a shadow of a doubt, that you have really and truly arrived, in both incidents

Firstly Born-again experience . On the sole strength of the knowledge of Jesus sacrificial death. And the knowledge that his shed blood purchased a Free Pardon for you from all your past sin.

Although I now know all this , it does not come to me automatically. I need to activate it personally myself. Because God is a Spirit and that he is everywhere and can hear everybody at the same time, I do not need to be anywhere in particular, to speak with him.

Because of this knowledge I can now come Legally into the Presence of a Holy God and tell Him that I am sorry for being a sinner and ask him to wash me clean in Jesus 's precious blood, as the scripture has said, "Though your sins be as scarlet, they shall be as white as snow, though they be crimson they shall be as wool" (which also is brilliantly white when washed) And ask Jesus to come into your heart (your spirit) by faith and live his life through you. And He will , this is the Born-again experience and the gifts that he brings with him are Love , Joy, Peace, long suffering , Goodness, meekness , temperance, righteousness, faith. (9 attributes or gifts that you did`nt have before to the same extent)

Gift 2. Gift of the Holy Spirit , This is a Gift for ministry. Which is a Supernatural Ministry with Supernatural Gifts (9 supernatural abilities or gifts that you definitely did not possess before.

The initial evidence of having received the Gift of the Holy Spirit is that you commence to speak in a language that you have never learned, It comes via your spirit area and by-passes your mind(or soul)

Lets be clear on this fact . We Human beings consist of a body , a soul (mind) and a spirit (the spirit is the real you)We are all initially

spirits with bodies and we possess a soul or mind. How do I know this because the Bible tells me so. The bible says Faith without works is dead as the body without the spirit is dead. So when a person dies his spirit leaves his body. His brain stays behind but his mind goes also.

When the Holy Spirit came upon Jesus in the form of a dove, He commenced His Supernatural Ministry Healed the sick cast out Devils , Raised the dead.

This is what God wants for his children , He wants them to do the same things that Jesus did. And he has given them the power to do miracles and signs and wonders in the authority of his name. Jesus said to his disciples and greater things than these shall you do, in my name, because I go to the Father .

Satan or the Devil has Power , He is a real person and he has many spiritual followers and also has deceived the Worldly people, into believing that there is no God and also that there is no Devil and that everything just Happened.
