Committee Secretary  
Parliamentary Standing Committee on Public Works

17/08/17

Dear Committee Secretary,

**EXPLOSIVE ORDNANCE LOGISTIC REFORM PROGRAM PROJECTS: WORKS PROPOSED AT EXPLOSIVE  
ORDNANCE DEPOT MANGALORE**

I am writing today to express my support for the proposed works at the explosive ordnance depot in Mangalore. The works proposed under Project J0056 *Explosive Ordnance Logistic Reform Program (EOLRP)* are currently subject to Parliamentary approval.

I recently undertook a personal detailed briefing on the proposed works adjoining my electorate of McEwen, by Lieutenant Colonel PG Sims. The EOLRP project is expected to general employment opportunities within the construction sector and related support sectors around the Depot, which would be of great benefit to McEwen.

Following my discussion and brief with Lieutenant Colonel PG Sims, I am confident that the project will improve support to the Australian Defence Force operations and training.

I am proud to offer my support for this proposal.

Yours Sincerely,

Mr Rob Mitchell MP.
