Dear Ms Beverly,

I write to correct evidence given by me at the Committee Hearing in Canberra on 27 September 2023.

As reflected on page 13 of the Transcript, I incorrectly stated that "*our total workforce has 38,000 females, who are working closely with their colleagues from everywhere in the world*". In answering the Committee's questions, I inadvertently confused the number and percentage of female workers at Qatar Airways. I ask that the Committee consider amending the Transcript to replace "*our total workforce has 38,000 females, who are working closely with their colleagues from everywhere in the world*" with "*38% of our total workforce is female, working closely with their colleagues from everywhere in the world*".

Thank you for your consideration of this request.
