**Question No:** 9  
**Topic:** Manual sorting/contract  
**Hansard Page ECA:** 100

**Senator Birmingham and Senator Moore asked:**

**Mr Thompson**—There was a manual sorting system employed by the mail house that we were previously using.

**Senator BIRMINGHAM**—It is the little things that trip you up, I know, but—

**Senator MOORE**—That was contracting out as well, Mr Thompson?

**Mr Thompson**—Yes.

**Senator MOORE**—So maybe the details that Senator Birmingham asked for about the previous contract we could get for that contract. It might be useful.

**Answer:**

As an interim arrangement for the printing and distribution of Green Loans assessment reports, the Department of the Environment, Water, Heritage and the Arts used the contract that it had in place to distribute Green Loans program literature and to print home sustainability assessment reports.
