Public Hearing – 27 September 2023

Question on notice

Qantas

1 PROOF HANSARD, 65

Senator SHELDON: Are you able to tell me what your accrual rate is, being the fixed percentage used to calculate your defined benefit?

Ms Hudson: I will come back on notice on that. In terms of my detail investigation on my superannuation fund, it is something that I contribute to; it's not something that I specifically analyse frequently.

Response from QANTAS: The accrual rate is 9.3 per cent, which is the percentage applicable to a Category A (Ground Staff) member of Division 2 of the Qantas Superannuation Plan who joined Qantas after 1 July 1988.
