### Joint Committee of Public Accounts and Audit

Inquiries into Australian Government Funding and Commonwealth Financial Statements

---

Issue date: 16 October 2018

## JCPAA examines financial statements and school funding

Parliament's [Joint Committee of Public Accounts and Audit](#) is holding two public hearings tomorrow.

The first public hearing will hear from the Department of Education and Training, and the Australian National Audit Office, for the Committee's inquiry into Australian Government funding. This inquiry is based on Auditor-General's report [No. 18 \(2017-18\)](#), *Monitoring the Impact of Australian Government School Funding*.

The second public hearing will hear from the Parliamentary Budget Office, for the Committee's inquiry into Commonwealth financial statements. This inquiry is based on Auditor-General's report [No. 24 \(2017-18\)](#), *Audits of the Financial Statements of Australian Government Entities for the Period Ended 30 June 2017*.

Committee Chair [Senator Dean Smith](#) said the first public hearing will scrutinise the arrangements established by the Department of Education and Training to monitor the impact of Australian Government school funding.

"The Committee will be interested in hearing how the department is enabling transparency and accountability, monitoring the impact of government funding and ensuring effective program delivery in the important area of schools education," Senator Smith said.

"The second public hearing will focus on the findings from the Commonwealth financial statements audit, and the accounting rules for equity investment, concessional loans and contingent liabilities."

"Commonwealth financial statements play a critical role in providing accountability to the Parliament and the public for the expenditure of public funds," Senator Smith said.

The JCPAA is Parliament's joint public administration committee. It scrutinises the governance, performance and accountability of Commonwealth agencies, and has the power to inquire into all expenditure of Commonwealth money.
