

Environment Protection and Biodiversity Conservation Amendment (Bilateral Agreement Implementation) Bill 2014
[Provisions] and the Environment Protection and Biodiversity Conservation Amendment (Cost Recovery) Bill 2014
[Provisions]
Submission 12

From: [Pat Schultz](#)
To: [Committee, EC \(SEN\)](#)
Subject: submission re: Environment Protection and Biodiversity Conservation (Amendment Implementation) Act
2014
Date: Friday, 30 May 2014 6:50:19 AM

Committee Secretary
Senate Standing Committees on Environment and Communications
PO Box 6100
Parliament House
Canberra ACT 2600

To Whom it may Concern,

I am concerned about the watering down of the Protection and Biodiversity and Conservation Bill. The amendment removes the original intention of this bill –to protect the habitat of endangered and vulnerable species. The amendments make this bill useless.

Yours faithfully

Pat Schultz
