

Question on notice from Senator Gallagher to the Australia Council, 3 July 2020:

Please provide a breakdown of recipients of the \$5 million “Resilience Fund” by size of grant and location.

The Australia Council provided the following response on 6 July 2020:

The Australia Council publishes all awarded grant recipients, including to the Resilience Fund, on our website. The list can be accessed through this link:

<https://www.australiacouncil.gov.au/funding/awarded-grants/>

In March 2020 the Australia Council redirected approximately \$5M towards the Resilience Fund across three new programs: Survive, Adapt, Create. We have since been able to assign a small amount of additional funds to the program. There are still applications to the Resilience Fund which are yet to be assessed. All decisions on recipients to the Fund will be made by mid-August.

Note to the list of recipients of the Resilience Fund: The Indigenous Art Code received \$24,000 through the Survive program, to be administered on behalf of twelve individual artists (\$2000 each).
