

To whom it may concern,

The current situation by which independent midwives are being processed if there has been a complaint against them is totally unacceptable, unfair, unjust and unethical. No conditions should be placed on any midwife before an investigation has taken place.

I have grave concerns that at any time my midwife could find her registration under restriction and this would exclude her from continuing to be my main care provider. This will force me into the hospital system or to choose to free birth.

I request that an urgent review of this process takes place immediately and that some balance be restored. Midwifery and homebirth is not a crime.
