

DEAR SIR,

I AM PLEASED TO HAVE THE OPPORTUNITY TO PROVIDE SOME TOWN INPUT TO YOUR INQUIRY REGARDING MEN'S HEALTH.

I HAVE STRUGGLED ON A DAILY BASIS FOR THE LAST SEVEN YEARS IN A FUTILE ATTEMPT TO COPE WITH THE RAVAGES & DESTRUCTION OF MY LIFE & SELF WORTH, A DIRECT RESULT OF FAMILY LAW IN THIS COUNTRY.

I AM BECOMING INCREASINGLY AWARE THE PROBLEM FACED BY MEN IN TODAY'S SOCIETY AS THEIR ROLE & PURPOSE IS ALTERED OR DIMINISHED BY AN INVISIBLE EVIL FORCE.

THE MINIMAL HELP AVAILABLE TO MEN FACING CIRCUMSTANCES BEYOND THEIR CONTROL MUST BE SEEN AS A PEAK CRISIS & ADDRESSED ACCORDINGLY IF SUICIDE AMONGST MEN IS CONSIDERED IMPORTANT IN MEN'S HEALTH & WELLBEING.

Yours faithfully

(G. L. McKinnon M.P.)
