Dear Ms Beverly

Hansard clarification - Aboriginal and Torres Strait Islander experience of law enforcement and justice services

I am writing to clarify an aspect of the evidence that I gave at the Committee's hearing on 4 April 2016.

In my opening statement (page 26 of the Hansard), I said that:

‘... New South Wales's proportion of the Indigenous population, according to the 2011 census, was 2.9 per cent.....’

I wish to clarify that I phrased this statement incorrectly and I should have said:

‘...according to the 2011 census, 2.9 per cent of the New South Wales population is Indigenous.....’

Yours sincerely
