

#### **Vessel specifications - MV Ocean Drover**

- Length: 180 metres
- Breadth: 31.1 metres
- Gross tonnage: 33.774,14 tonnes
- Livestock area: 23,370 sq metres
- Number of decks: 9
- Summer draft: 8.2 metres
- Fresh water capacity: 2, 740,000 litres
- Fresh water production: 600 tonnes per day from 4 reverse osmosis desalination plants
- Fodder capacity: 1500 tonnes
- Air circulation: 60 air changes/hour
- Speed: 20 knots
- Engines: Man B. & W. 7S50MC-C
- Crew: 45

#### **Vessel specifications - MV Ocean Outback**

- Length: 130 metres
- Breadth: 21.6 metres
- Keel to mast height 24 metres
- Gross tonnage: 12,892 tonnes
- Livestock area: 8,000 sq metres
- Number of decks: 7
- Summer draft: 7.8 metres
- Fresh water capacity: 2,000,000 litres (almost equivalent of Olympic sized swimming pool)
- Fresh water production: 320,000 litres per day from 4 reverse osmosis desalination plants
- Fodder capacity: 2000 cubic metres (equivalent 1,500 tonnes) in two fodder tanks
- Air circulation: 110 air changes/hour (3.5 times minimum standard)
- Speed: 17 knots
- Engines: 2 Wartsila 9L32
- Crew: 34

#### **Vessel specifications - MV Ocean Swagman**

- Length: 130 metres
- Breadth: 21.6 metres
- Keel to mast height 24 metres
- Gross tonnage: 12,892 tonnes
- Livestock area: 8,000 sq metres
- Number of decks: 7
- Summer draft: 7.8 metres
- Fresh water capacity: 2,000,000 litres (almost equivalent of Olympic sized swimming pool)
- Fresh water production: 320,000 litres per day from 4 reverse osmosis desalination plants
- Fodder capacity: 2000 cubic metres (equivalent 1,500 tonnes) in two fodder tanks
- Air circulation: 110 air changes/hour (3.5 times minimum standard)
- Speed: 17 knots
- Engines: 2 Wartsila 9L32
- Crew: 34

#### **Vessel specifications – MV Ocean Shearer**

- Length: 213.30 metres
- Breadth: 32.2 metres
- Gross tonnage: 60.513,11 tonnes
- Livestock area: 37,700 sq metres
- Number of decks: 14
- Summer draft: 11.5 metres
- Fresh water capacity: 8, 100, 000 litres
- Fresh water production: 600 tonnes per day
- Fodder capacity: 4500 tonnes
- Air circulation: 53 air changes/hour
- Speed: 24 knots
- Engines: SULZER DIESEL 2SA9RND90M
- Crew: 80
