Dear Mr Turner,

Inquiry into the Migration Amendment (Streamlining Visa Processing) Bill 2018

I refer to your email of 7 December 2018.

The Legal Services Commission of South Australia (the Commission) is the State's largest provider of legal assistance services. We provide legal advice and information services in migration matters and a comprehensive program of community legal education sessions for migrant communities.

We have now had the opportunity to consider the proposed amendments to the Migration Act intended to streamline visa processing. I advise that the Commission supports the regulations and does not propose to make any comments at this stage.

Thank you for the opportunity to respond to these amendments.

Yours sincerely,

Gabrielle Z Canny
