Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a permanent employee, working as a process worker, currently earning around 25 per hour.

i have a mortgage

If penalty rates were abolished... the very fabric of a weekend would be lost my nephews and neices would be affected they are currently saving to buy a car which would leave them horribly short

My weekends are important to me because...its family time

I urge the committee to keep penalty rates. it gives our teens a sense of being wanted and a good taste of independence
