

I Sally Guest would like to register my opposition to the Private Members' Bill, sponsored by Senator Bob Brown called the Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010. I have concerns that such a bill could and would be used to allow Euthanasia and Same Sex Marriages or Civil Unions. I reject both these ideas in principal that firstly life is a gift and no one has the right assist another to end their own life. I also belief that Marriage should stay as currently defined as between 1 man and 1 woman as this has many great benefits for our society. Both Euthanasia and Same Sex Marriage or Civil Unions are not in the best interests of Australia as a nation or the people of our nation whether old or young.
