

To Whom It May Concern:
03/04/13

My name is Susan Lamplugh

I support the 100 per percent this Citizen Initiated Referendum Bill 2013. We have the right to demand a Citizen Initiated Referendum when we believe that the Government of the day is not representing the best welfare of the Australian People .

I believe that we are slowly losing our rights , our freedom of speech, we have no voice when it comes to our Immigration Policies , when we are saddled with an incompetent & or corrupt Government , we have no power to bring this Government into account .

I have many many reasons why I believe that the Australian People need & have the right to be able to demand a Citizen Initiated Referendum Bill .

Sincerely

Susan Lamplugh
