Dear Senator

I refer to your letter of 5 November 2019, inviting the Northern Territory Government to make a submission to the Inquiry into the Native Title Legislation Amendment Bill 2019 (Cth).

The Northern Territory Government supports the proposed reforms, noting they have been the subject of extensive consultations by the Commonwealth Government and will implement the recommendations of a number of high-level independent reviews, including by the Australian Law Reform Commission, and will improve the native title system for all parties.

Yours sincerely,

MICHAEL GUNNER
