Question

Mr Longo: An initial review was done by this graduate, but the other work was being conducted at a senior management level with the assistance of the graduate. It's a team effort. Last year I think ASIC received some several hundred prospectuses; I'd have to take on notice how many.

Answer

In the financial year ended 30 June 2020, 660 prospectuses were lodged with ASIC. In the financial year ended 30 June 2021, 865 prospectuses were lodged with ASIC. These figures include all replacement and supplementary prospectuses as well as those related to secondary offers, such as rights issues.
