Dear Ms Taylor

I have attached our latest newsletter regarding Windsor College for your reference. I have also attached evidence of the false enrolment patterns as I discussed in our newsletter just in case you do not have this information on your file regarding this college. Last time when I spoke to you I obtained the impression that you did not.

I expect some action will be taken against this college eventually and I guess we will just have to keep looking at the web site to see if you have done anything about the disgraceful tactics of this education provider.

Kind regards
