Further information comparing the legislation in different jurisdictions is provided in the Australia 21 background paper *How should Australia regulate voluntary euthanasia and assisted suicide*, November 2012, White & Willmott, <http://www.australia21.org.au/publication-archive/how-should-australia-regulate-voluntary-euthanasia-and-assisted-suicide/#.U9cFCVZEATt>

*VE – drug administered by physician

*PAD – physician provides a prescription, but final step in the process is performed by the person themselves
