

---

Dear Sir/Madam

I support his bill, and that do not believe my tax dollars should go to killing unborn babies simply because he or she is not the preferred gender.

Medicare funding should only go to genuine medical issues. Aborting a child because you are not happy with the gender is of course not a real medical issue. It is instead a lifestyle choice, and tax dollars should not go to such a poor excuse for killing an unborn baby.

Regards

Katherine Prefol
