Question: Can the Department of Social Services (department) please provide information as to whether the department anticipates payments made to eligible individuals under the Redress Scheme would be subject to the [*Health and Other Services (Compensation) Act 1995* (Compensation Act)]? In requesting this information, the committee particularly notes Section 8 of the Compensation Act, which provides a mechanism for the Commonwealth to recover past Medicare benefits from compensation payments, and Section 4, which defines the types of payments classified as compensation for the purposes of the Act.

- b) is absolutely inalienable, whether by way of, or in consequence of, sale, assignment, charge, execution, bankruptcy or otherwise; and
- c) an amount must not be deducted from a redress payment.

Question: Can the department please provide information as to any impact a Redress Scheme payment may have on a pension paid under the *Safety, Rehabilitation and Compensation (Defence-related Claims) Act 1988*?

Answer: The Rules can prescribe payments that are not relevant payments for the purposes of working out the amount of a redress payment. The Rules will specify that payments made under the *Safety, Rehabilitation and Compensation (Defence-related Claims) Act 1988* are not relevant payments and, as such, will not be impacted by the Redress Scheme.
