

Correction to a Department of Infrastructure and Regional Development response to the Joint Committee of Public Accounts and Audit Inquiry into the Australian National Audit Office Report into the Design and Conduct of the Third and Fourth Funding Rounds of the Regional Development Australia Fund

The first paragraph in response to Question 2 should read:

While the ANAO report for Rounds Three and Four indicated that, in their view, the recommendations from Round One had not been implemented, the Department disagrees and considers that it has implemented the recommendations. The recommendations were considered as part of the development of the guidelines and processes for the delivery of Rounds Three and Four of the RDAF. In addition, a representative of the ANAO attended a meeting of Advisory Panel in March 2012 to outline the basis for the Round 1 report recommendations and the role the Advisory Panel should play in their implementation.
