Our Profile

Our vision:

“To be a global leader in the provision of education and training to those wishing to attain personal growth and business development.”

Australasian Academy of Mentoring and Coaching (AAMC) Training Group is a wholly Australian owned Registered Training Organisation (RTO number 51428) operating nationally and internationally.

By listening to the needs of the corporate and retail world, AAMC Training Group has expanded the portfolio of courses to meet both the changing legislative requirements and business needs.

Working as a true business partner, we take the time to understand your business requirements and can design individually tailored solutions to meet them. Course material is written by industry experts to ensure legislative requirements are adhered to.

With a more holistic, consultative and personal approach to training, a wide range of quality courses and smarter technology, you can depend on AAMC Training Group to save you time, money and stress when it comes to enhancing your skills, performance and knowledge.

The team at AAMC Training Group is passionate about excellence in service to our clients. We have an abundance of qualities, skills and expertise that we value, recognise and reward.

It does not matter if you are part of an organisation or require personal advancement; AAMC Training Group's services allow you to maintain your competitiveness in the market whilst expanding your intellectual resources.
