

I am opposed to Senator Brown's bill (Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010).

It seems clear to me that the motivation for this bill is not self government for Australia's territories. The motivation seems to be the Green's desire for Euthanasia and Homosexual marriage / Civil Unions.

I believe these two things are not good for Australia or any part of Australia, and I believe that Senator Brown's bill should be rejected.
