

I am writing to **object** to the proposed changes being implemented next year by the Government to bring military superannuation under the same umbrella as other commonwealth employees, via the proposed *Government Superannuation Schemes Bill 2010*.

Also, please immediatly increase and backdate the **Maximum Benefit Limit**.

This has been increased and backdated for the Public Service but not Military personnel.

Your Military Super Review identified this as Unfair and recommended it be “fully abolished” before the implementation date of (any) new scheme.

Respectfully Yours,

David Bell
