Dear Sir,

Aged Care Reform Legislation

I refer to the five aged care reform Bills that have been referred to the committee for inquiry and report.

Our industry peak organisation, Aged and Community Services Australia has prepared and lodged a submission relating to those Bills.

I write to confirm that this organisation has contributed to that submission and support the broad thrust of its contents – as I am sure most Aged Care providers do.

We look forward to the outcome of the enquiry and subsequent report.

Yours Faithfully,

Greg Burgess
Chief Executive Officer
