Subject: SUBMISSION: Social Services Legislation Amendment (Strengthening Income Support) Bill 2021
Date: Friday, 26 February 2021 10:42:07 AM

To whom it may concern,

I am not on Jobseeker, but may well be soon. I would like to make a submission regarding the Social Services Legislation Amendment (Strengthening Income Support) Bill 2021. I believe that we should definitely Raise the Rate by substantially more than the current offer of less then \$4 per day, so that the recipients have a chance to improve their circumstances and make real in-roads into job-seeking and surviving. The payment should at a minimum be equivalent to the global poverty level, and preferably a little over.

Yours sincerely,
