Subject: Reform of Federation Senate Hearing

Following up from today's Senate Hearing, one of the Senators asked me if I knew the date of publication of some Business Council of Australia data we referred to on page 5 of our submission (at footnote 12). The date of the publication was October 2006, and a full copy of the publication can be found here: <http://www.bca.com.au/DisplayFile.aspx?FileID=64>
