

To All Government Senators,

Medicare money should not be squandered on killing the innocent unborn child male or female.

The Government deals the death penalty on INNOCENT UNBORN while murderers get a comfortable life with all the luxuries.

Tax payers money should not be spent on KILLING of THE UNBORN male or female, women needed counselling from life supporters.

We paid our taxes and trusted the Government to do the right thing and not become gods who deal out death to the INNOCENT UNBORN CHILDREN MALE AND FEMALE.

Please stop "**Health Insurance Amendment (Medicare Funding for Certain Types of Abortion) Bill 2013**".

God save our INNOCENTS and Australians.
