Subject: Submission: Local Power Agency Inquiry
Date: Sunday, 4 July 2021 10:22:33 AM

Committee Secretary,

Dear Committee Secretary,

I strongly support the creation of the Australian Local Power Agency, via this Bill, with appropriate funding.

Rural and regional communities want to be able harness renewable energy to tackle climate change and revitalise their communities. The ALPA would support communities right across regional Australia to do this.

Yours faithfully

Paul Dobie
