Question

Senator SIEWERT: First, I'd like to look at some of the current stats. Would you be able to give the committee some updates on the employment figures and also the current jobactive case load demographics? Are you able to give that to the committee on a regular basis? We've now got DSS providing us with regular updates; I think it's now every two weeks. Is it possible for the committee to have the same updates from your department so that we can actually get a full picture of what the situation is? Is that something that the department is able to do? Mr Smyth: I'm sure we can facilitate that. If you'd like, I will give you a quick update at the moment on the composition of the case load.
Senator SIEWERT: Yes, that'd be great
