

Question No: 017
Reference: Hansard at page 62
Committee Member: Mr Gorman

Questions:

Mr GORMAN: Of course. Some of these have been going on for a number of years now. I'd be interested in whether you can give us any information now from the briefs that are in front of you about the costs to ASIC in pursuing these matters.

Ms Armour: I don't have that information in front of me, so I would need to take that on notice.

Answers:

As at 30 October 2020:

- the life of matter cost for all staff and expenses associated with the PLC charges was \$399,017; and
- the life of matter cost for all staff and expenses associated with the PUP Payments charges and ongoing enquiries into other conduct of concern was \$2,850,322.
