

Senate Economics References Committee
Credit and financial services targeted at Australians at risk
of financial hardship

Correction to evidence given by Cash Converters International Ltd, to the committee at public hearing in Melbourne – Wednesday, 12 December 2018

Page 10 of the transcript

ACTING CHAIR: When was the last time that you had any contact with Treasury about this legislation?

Mr Cumins: It would be quite some time. [Correction Nathan Carbone, former Chief Risk Officer Cash Converters International Ltd. met with Treasury in May 2018.]
