Written Question on Notice, 20 September 2021

PDR Number: IQ21-000237

Percentage of aged care workers vaccinated

Written

Senator: Katy Gallagher

Question:

1. As of 17 September, what percentage of aged care workers are now fully COVID-19 vaccinated?
2. As of 17 September, what percentage of aged care workers are only partially COVID-19 vaccinated?

Answer:

1. As of 17 September, 78.8 per cent of aged care workers were fully COVID-19 vaccinated.
2. As of 17 September, 97.6 per cent of aged care workers had received at least one dose of the COVID-19 vaccination.
