Please consider this email a formal submission by me to the Senate Standing Committee on Community Affairs Inquiry into the National Disability Insurance Scheme Bill 2012.

The current disability system has many problems that need to be addressed.

Inequity! Confusion! Inconsistency!

The main features of the NDIS that will make a difference to the community are:

Better access to mainstream support and services

The most important services for the NDIS to provide are:

Therapy and allied health services

I support the introduction of the NDIS.

The question is, why wouldn't I?????!

I agree for my submission to be made public

Regards,

Miss Georgina Smith
