**RE: COMMITTEE HEARING 12 APRIL 2017 – FAIR WORK AMENDMENT
(PROTECTING VULNERABLE WORKERS)**

I refer to the above hearing date and my appearance before the Committee.

On page 34 of transcript there are a series of questions and answers relating to McDonalds.

The Committee Chair did refer to seeking information via a question on notice. I am operating on the understanding that 'Questions on Notice' are sent through to the parties but no question has been received. However, I also note in transcript that the Chair refers to "It is on notice" so I am unsure as to whether or not a response is expected even though I have not received a question on notice in writing.

In any event, I now provide the voting information that I have in relation to the 'McDonalds Australia Enterprise Agreement 2013:

- Number of employees who were covered by the Agreement = 89,704 (72,938 of these were casual)
- Number of employees who cast a valid vote = 46,980
- Number of employees who voted to approve the Agreement = 45,570

I trust the above information is of assistance.

Yours sincerely,

GERARD DWYER
National Secretary-Treasurer
