

Hello.

I'd like to draw to the committee's attention a new report by Canada's standing committee on Canadian heritage entitled, 'Disruption: change and churning in Canada's media landscape'. In particular, I'd like to draw attention to recommendation 19, which says:

"The committee recommends that the government of Canada change the definition of a registered charity in the Income Tax Act to include not-for-profit media or foundation."

The report can be found here:

Many thanks,

Bill
