Tax issues and what I read at self employed

Sent Mon 8 October 2018 recd 7.11pm

Dear people tax area...as I've read arrival from self employed Australia.

Over 30 years of my life.between tax and centrelink.i've lost had most everything taken I had or owned .as a single dad as I was low income wages..but upon my son's nearing high school I opened Wyatt Earp holdings tombstone trust whistle stop logistics Roger roadways....was a Qld security officer and had a msic card AFP ASIO checks national police check and passed all of it30 years ago the ATO made out I was a fraudster..false it was..and in the past 25 years between centrelink.ato and a range of depts.they shut my Abn on any of my business names..bank accounts they checked so I got zero....along with pension now.against my wishes.but IV been run through the system.manipulated...my son in jail other son been in jail also...my business credit finances ruined..carnt get a loan or my own home as I've had in past....distroyed and ruianed before or as I started from day one..X wife that owed me child support never paid..lost a eye never got a cent...yep myself.my business have been skinned for everything....and even after I asked the prime minister..small business ombudsman for assistance....I've been skinned in every way...even after pm help..west australia..qld. there plenty more to all this.

Regards Roger waldock Wyatt Earp holdings.tombstone trust Wyatt Earp holdings.whistle stop logistics.roger roadways.was Qld security officer.was msic holder. [REDACTED]
