Pristine forest in Sumatra

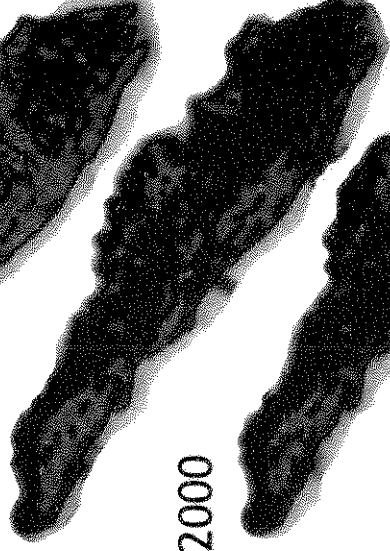

in 1932

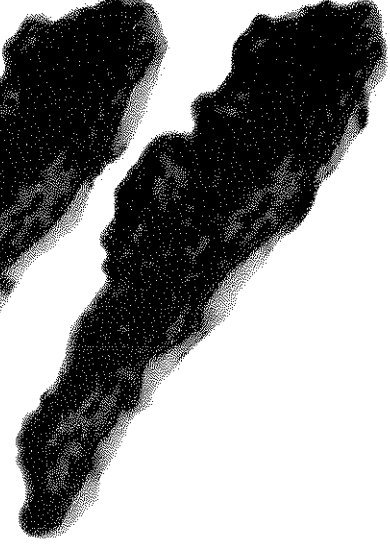

in 1980

in 1990

in 2000

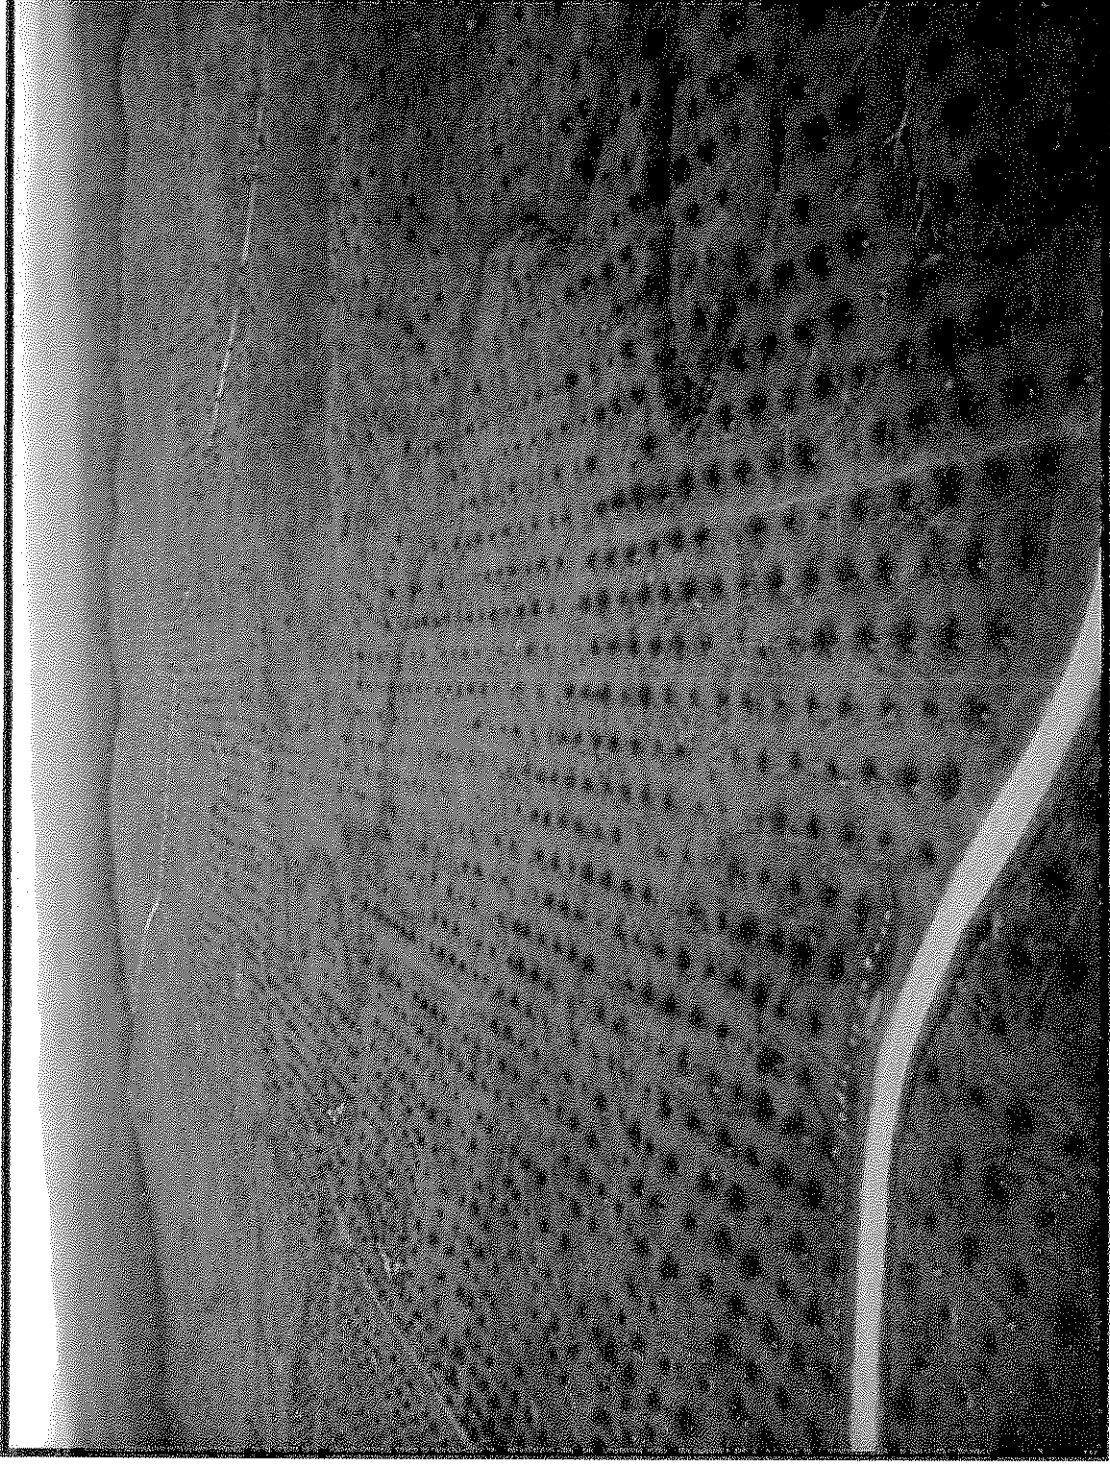

Images based on data from Collins et al., 1991

**A family of poisoned Sumatran elephants – Bengkulu.
Killed in retaliation for raiding palm oil plantation**

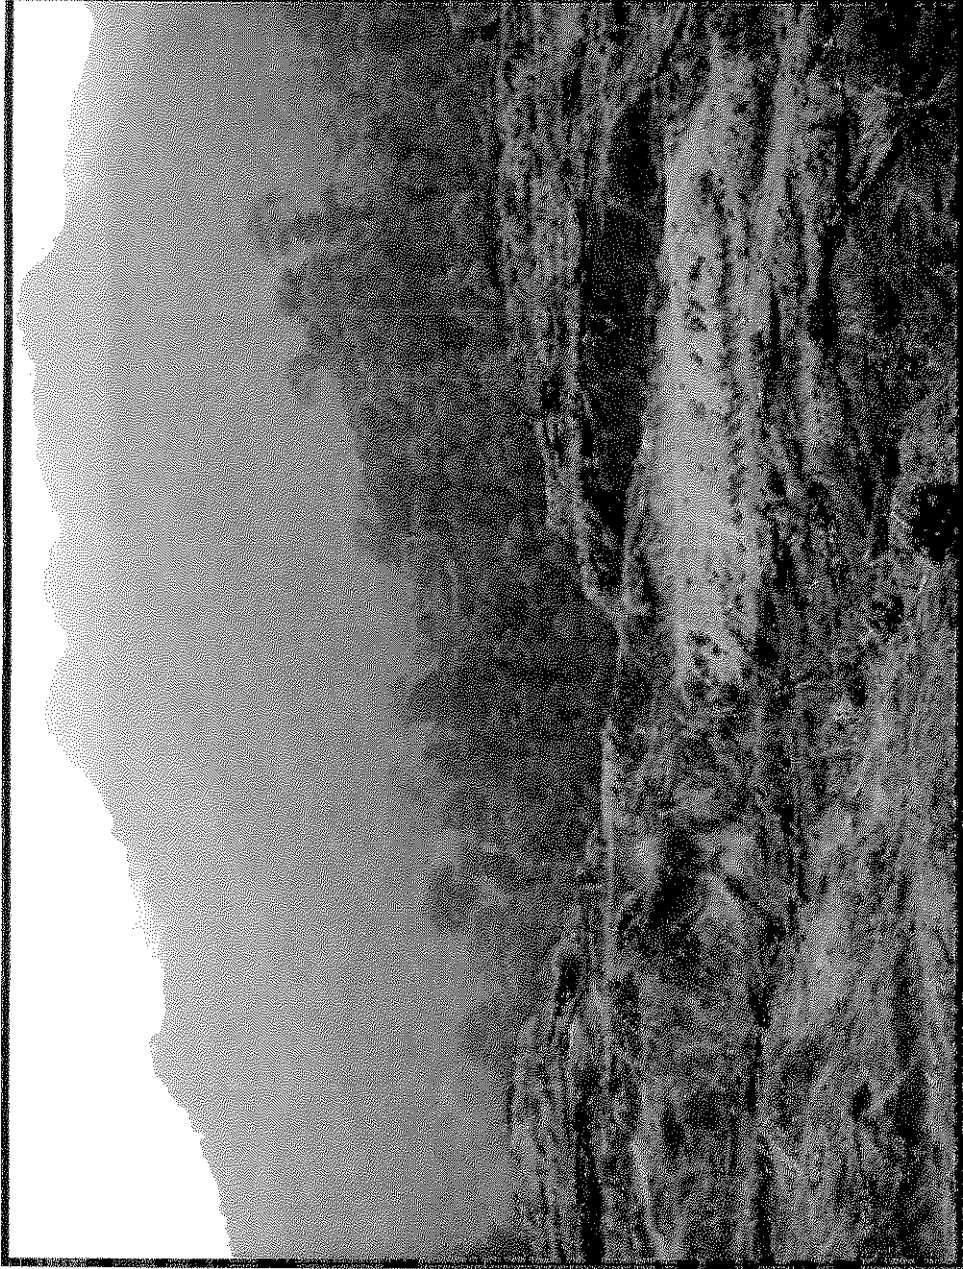

Human – Wildlife Conflict

Virgin and secondary forest was cleared for this New Palm oil plantation in North Sumatra, completely destroying a habitat corridor between a national Park and protected forest

**Gunung
Leuser
National Park
– North
Sumatra**

**(UNESCO World
Heritage Site)**

Illegal Wildlife Trade
