

As part of the requirements under section 29 of the *Intelligence Services Act 2001*, the Australian Secret Intelligence Service (ASIS) is required to prepare a submission to the Parliamentary Joint Committee on Intelligence and Security for its annual review of administration and expenditure of the intelligence agencies.

ASIS's classified submission to the Committee's *Review of Administration and Expenditure No. 14 (2014-2015)*, provides a detailed report on ASIS's administration, structure and financial reports for the financial year, and an overview of ASIS's direction and strategic planning.
