Australian Securities and Investments Commission

Answers to Questions on Notice

Public hearing: 28 February 2020

Question No: 002

Reference: Hansard page 14

Question:

Mr GEORGANAS: With the current registries that you've got—I believe it's 36 business registries—how many often have you had outages on these registries in the past three years?

Answer:

The following table summarises registry outages over the past 3 years.

Calendar Year	Severity *			
	S1	S2	S3	Total
2017	4	64	n/a **	68
2018	11	33	n/a **	44
2019	30	37	36	103

*

Severity 1 – Critical – Complete loss of system functionality

Severity 2 – High – Partial but unacceptable loss of system functionality

Severity 3 – Medium – Intermittent or not widespread loss of system functionality

** n/a different classification system used at this time
