Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a permanent employee, working as a , currently earning around per hour.

If penalty rates were abolished...

My weekends are important to me because...

I urge the committee to keep penalty rates.it is very hard for us australian in this hard economic situation,the penalty rates help us to pay bills and keep a decent standard of life,don't think that we like to work weekends and stay away from ours love ones,it is for necessity most of us does it.think also in the future generation.

thank you for reading this email.
